Problem – Solution Fit Template:

The Problem-Solution Fit simply means that you have found a problem with your customer and that the solution you have realized for it actually solves the customer's problem. It helps entrepreneurs, marketers and corporate innovators identify behavioral patterns and recognize what would work and why.

Purpose:
• Solve complex problems in a way that fits the state of your customers.
• Succeed faster and increase your solution adoption by tapping into existing mediums and channels of behavior.
• Sharpen your communication and marketing strategy with the right triggers and messaging.
